- So far we have advertised 112 jobs.
- 84 job applications have been made through the site.
- Currently there are 438 subscribers/sign-ups – 225 NQTs, 26 qualified teachers and 188 other job searchers.
- Currently 32 teachers in the pool – 27 NQTs and 5 qualified teachers.

3. CHALLENGE FOR ALL

3. CHALLENGE FOR ALL

- New name for the group: Challenge for All
- Vision: Lambeth is a borough that is committed to high expectations and aspirations for all our pupils
- NACE Training is booked for the 23rd May for Leaders and Governors
- Actions for 2019/2020

4. STRATEGIC GOVERNANCE

4. STRATEGIC GOVERNANCE

“To ensure that Lambeth and school governors have arrangements in place to deliver best practice excellent governance in all schools”

Review of Ofsted and SIA reports

Online survey to all governors and HTs - March 2019

Governor consultation evening - April 2019

No burning platform

Not all schools have a strategic plan

Key topics from governors and HTs: Shortage of time and money, How to challenge effectively, Sharing best practice, Learning from governors at other schools, Relationship between Governors, Headteacher and SLT.

5. FUTURE LSP

5. FUTURE LSP

LSP is for you- to support your headship and ensure all our pupils achieve their very best - please get involved in Cluster groups and Board activity

Annual subscription for 2019-20 kept at previous year's levels this year.

Working group has looked at range of options for future. Presented these at Head's Conference in March where heads said they would like to include some additional items as part of the subscription:

- Teach Lambeth;
- Raising the Game 'Aim High' events;
- Regular 'Working Together' events for Heads and Deputies;
- Three year development planning as well as existing offer

There will be another Wider Working group meeting in June to take on feedback and consider all options available from external consultants report

Board Planning day in July: will agree any changes and final subscription for 2020-21, including costs for Teach LAMBETH
